Hello

I am a resident of the Hollywood Dell.

Over the last few days an increasing number of tents have popped up under the underpass of the 101 Freeway on Argyle St at Franklin Ave.

Our neighborhood and the surrounding area has had increasing problems with homeless encampments throughout 2015. My husband and I have lived in the neighborhood for almost 10 years and this is definitely the worst it has been.

Please allocate more resources for this and PLEASE move the homeless encampments off of our sidewalks and hillsides. The increase in mail and package theft this holiday season has been alarming. Having to roll my windows up at intersections to not feel threatened by ranting and raving people on the street is a horrible way to enter and exit the neighborhood.

I am not certain what the solution is as obviously many of these people are not looking to be in shelters, but it's too dangerous to have them living on the streets, sidewalks, overpasses, underpasses and abandoned lots.

Thank You,

Amy
